

PROJECT TEAM

Jamie Rogers MacLean, CFM, CZO | *Director of Planning, WV*

Email: jmaclean@greenwayeng.com

Professional Profile:

Mrs. MacLean currently serves as the Director of Planning for the Martinsburg, WV office of Greenway Engineering. Mrs. MacLean's Land Planning experience began in 2005. Her certifications include Certified Floodplain Manager, and Certified Zoning Official. Mrs. MacLean has worked for jurisdictions in West Virginia and Virginia and has experience with plan review, code enforcement, and ordinance writing and revisions. Her experience with subdivision ordinances, zoning ordinances, and comprehensive plans, enables her to help clients navigate the governmental approval processes needed to meet their development goals in the most efficient way possible.
